Auckland to Milford Sound
aboard the *Caledonian Sky*
November 29–December 12, 2018

Back by popular demand, New Zealand by Sea explores the country's lush green islands, from the city of Auckland on the North Island to world-famous Milford Sound on the South Island, aboard the *Caledonian Sky*, an ideal vessel for accessing New Zealand's islands, fiords, and craggy coastline. Visit Rotorua, the heartland of Maori culture, and the stunning Te Papa Tongarewa Museum, which brings to life the history of the native people of New Zealand, in Wellington. At the Canterbury Museum's Hall of Antarctic Discovery in Christchurch, learn about "Operation Deep Freeze." Travel by motor coach to the Otago Peninsula for a visit to the Royal Albatross Centre to see the only mainland breeding colony of these majestic birds. Land by Zodiac craft on Stewart Island to hear the strange "dingdong" call of the bellbird, and marvel at the sheer granite walls and tumbling waterfalls of Doubtful and Milford Sounds in Fiordland, a region so remote and wild that it remains largely unchanged since the days of Captain Cook.

The *Caledonian Sky* is a 114-passenger premier expedition ship refurbished in 2012. All cabins have an ocean view, en suite bathroom with walk-in shower and/or bathtub, spacious wardrobe or walk-in closet, safe, minibar, individually controlled heat/air conditioner, at-screen television, and sitting area with sofa.
